- 09:30 - Registration and coffee

- 10:00 - **Save the planet and reduce your energy bill– a reality check on renewables**

David Parsons - Business Development Manager GASTEC at CRE

Most people want to do their bit for the environment and ensure a better future for the next generation. This presentation will help delegates find the most appropriate route to lower energy bills whilst satisfying their “green” conscience.

- 10:45 - **Construction Products Regulation - Are you on track for 1st July 2013?**

*Clover Summers - Senior Policy Officer, Building Regulations and Standards Division
Department for Communities and Local Government*

The UK signs up formerly to the CPR on 1st July 2013. Some construction products can take 15 months to test! How far is your company away from being compliant with the new regulation? No CE- No sale! Find out about the process and steps to be taken in keeping your product compliant.

- 11:30 - **Coffee and networking**

- 11:50 - **Why due diligence is more than meeting legislation?**

Mark Crowther - General Manager & Director GASTEC at CRE

What is due diligence and how does it relate to legislation. Mark Crowther examines how judgement is used to determine best practice where compliance with legislation may not be enough.

- 12:30 - **Lunch and tour of the facilities**

- 13:00 - **Surgeries - FREE to members**

An opportunity to appraise (quick-look-see) your products and discuss your product compliance requirements. Surgeries are arranged on a first-come-first-served basis. To arrange an appointment please call us on 01527-595066.

DON'T FORGET: Meetings are *free* to attend for all members of the CE Marking Association, including your colleagues too!
